TAKEOUT MENU

A Note to Our Friends:

If you're stuck at home, or just want to watch TV with a great meal in front of you, think of us.

Order a takeout dinner...you can pick it up and then relax and enjoy, and not even have to put your shoes on. In some instances we can even deliver!

Remember! When times are tough and there's no power, and no heat, and nothing to eat in the house, we have it all at the VI Restaurant and Tavern. **Our new automatic generator system will keep things cozy and warm no matter what!**

And now we can even send you home with your favorite Cocktail...Legally!
